

Multilayer ceramic capacitors: Radial, Axial, DIP, Chip, Microwave
Specials, Arrays, Military & Commercial

Tantalum capacitors: Radial, Axial, Chip, Military & Commercial
Filter: RF/EMI

Ethertronics: Ultra-high Performance Smart Antenna System
Solutions for Wireless Communications

Connectors: On Board, Board to Board, Wire to Board, Wire to Wire,
DIN, & IDC

**Automation & Control Devices, Motion Products, Swtiches & Position
Sensors, Cockpit Controls & Electrical Protection Solutions**

Advanced Input Devices/Memtrom
Membrane Swtiches, Custom
Keyboards, Integrated Assemblies,
& Graphics

**Bluetooth Low Energy - Smart Modules,
Antenna in Package Modules, Sensor Modules,
& Customer Designs**

CFE-MacInnis
A Division of MacInnis Group

**Leader in Thick & Thin Film Resistors, Current Sensing
Resistors, Resistor Arrays, Thermal Sensors & Fuses**

**EESeal's® EMI/RFI Silicone Rubber Filters for a Wide Variety of
Connectors. Patented Pack - aging technology provides fast &
effective transient solutions**

**Modules, Linear Products, LDO's, References, Regulators, USB Power
Switches, Reset Devices, Die, & Wafer Products**

**Embedded Display Solutions, Active/Passive Display Technologies,
Touch Solutions, Controllers, SBC, OLED, & Value Added Services**

DC/DC & AC/DC Convertors, LED Drivers

**Industrial Ethernet, VFD, Control, Power, &
Electrical Type Cable**

**Thermal, Thermal-Magnetic & Magnetic-Hydraulic
Over Current Breakers, Digital Switch Technology,
Custom Power, Mgt. System Design including Rack
Mount**

SOURIAU - SUNBANK
MIL & Commerical Interconnect, Back Shells, &
Conduit Solutions for Severe Environments

**Pressure Sensors & Switches, Thermostats for Industrial &
HVAC Applications**

**Magnetics-Linear Power, Current Sensors, RF Balun, Switch
Mode Power, Telecomm, & Audio**

Pressure Sensors, Pressure Switches, & Temperature Sensors

**NTC/PTC Thermistor Sensors, PTRTD Sensors, &
Thermocouplers**

Multilayer ceramic capacitors: Radial, Axial, DIP, Chip, Microwave
Specials, Arrays, Military & Commercial

Tantalum capacitors: Radial, Axial, Chip, Military & Commercial
Filter: RF/EMI

Ethertronics: Ultra-high Performance Smart Antenna System
Solutions for Wireless Communications

Connectors: On Board, Board to Board, Wire to Board, Wire to Wire,
DIN, & IDC

Industrial Ethernet, VFD, Control, Power, & Electrical Type Cable

**Automation & Control Devices, Motion Products,
Switches & Position Sensors, Cockpit Controls &
Electrical Protection Solutions**

Membrane Switches, Custom Keyboards,
Integrated Assemblies, & Graphics**

**Thermal, Thermal-Magnetic & Magnetic-Hydraulic Over Current Breakers,
Digital Switch Technology, Customer Power Mgt. System Design
including Rack Mount**

**Pressure Sensors & Switches, Thermostats for Industrial &
HVAC applications**

Pressure Sensors, Pressure Switches, & Temperature Sensors

NTC/PTC Thermistor Sensors, PRTD Sensors, & Thermocouples

DC/DC & AC/DC Convertors, LED Drivers

**High Powered TH & SMT LEDs, AC LED, & COB Light
Engines & Modules, High Power Emitters, IR Producers,
Light Bars, & Photo Interrupters**

**High Quality Enclosers & related products and data industry. Small
Hand Held, Boxes to Large Cabinet Racks. Plastic & Metal. Custom
Product & Design Support**

**Solid State Relays & Contactors, DC & AC SSR's
& SSC's for Heating, Lighting, & Motion**

**SOURIAU-SUNBANK
MIL & Commercial Interconnect, Back
Shells & Conduit Solutions for Severe
Environments**

**Bluetooth Low Energy - Smart Modules, Antenna in Package
Modules, Sensor Modules, & Customer Designs**

**EESeal's® EMI/RFI Silicone Rubber Filters for a Wide Variety of
Connectors. Patented Pack - aging technology provides fast &
effective transient solutions**
